

## TDS – GREASE REMOVER

### DESCRIPTION

**KOATE GREASE REMOVER** is a ready to use water-based product for removal of all kinds of stains and grease residue on parquet flooring and other wooden surfaces. We recommend to add the product to a piece of cloth or paper towel and wipe gently over the stain without excessive use or force. Further diluting of the material is possible for minor staining.

After removing the stain, used fresh water for a final wipe on the cleaned surface.

This procedure needs to be repeated if the stain isn't completely removed the first time.

Following surfaces can be cleaned with Koate Grease remover:

- Parquet Flooring
- Kitchen Cabinets
- Wooden tables and furniture

### ADVANTAGES

- Excellent degreasing properties.
- Waterbased.
- Very low smell.
- No VOC'sc added.

### PROPERTIES

- Transparent, low viscous liquid.
