

TDS – SOAP

CLEANS ALL YOUR TREATED WOOD SURFACES

DESCRIPTION

It is an environmentally friendly specially formulated high quality concentrated soap, for use on oil, Hardwax oil and UV treated wood surfaces.

ADVANTAGES

- **0% VOC**, NO volatile organic compounds
- **Concentrated** natural soap
- **Dilutable** in water
- **Efficient** for cleaning all treated wood surfaces

APPLICATION

PREPARATION – Dilute with water before use. Add 50-100ml to 10 litres of water.

APPLICATION – Floors - 1. Vacuum area to be cleaned to remove all grit and dust. 2. Take a clean mop, preferably mop where excess water can be easily wrung out, and wash floors. Rinse mop in clean water then dip into soapy water and continue washing floor. DO NOT drench the floor or allow to pool on surface. Remove all excess water. **Worktop surface** - 1. Wipe surfaces with soapy water, remove all excess water from surface. Diluted soap water can be poured into a spray bottle for ease of use.

Koate **Grease remover** to be used for tough grease spots. It is always advisable to remove any spills from oil, wine, sauces etc. as quickly as possible to avoid permanent staining.

DRYING TIME Will be dry in minutes.

CONSUMPTION

- 320 - 400m²/litre (When diluted)
